Welcome to Lacombe

Lacombe is the centre of one of the most fertile areas in Alberta. The district was first surveyed for homesteads in 1883 and the townsite was named after Father Lacombe, one of the renowned missionaries of the Roman Catholic Church whose outstanding work among the Indians of Alberta will be long remembered.

Lacombe is surrounded by rich, rolling parkland, dotted with lakes, patches of tree and cultivated fields. It lies at the junction of three branch railway lines and two paved highways. Seven miles west on the highway is Gull Lake, a popular summer resort, famous for its unsurpassed sand beaches and unexcelled water so suitable for the younger children. Full camping facilities make it the ideal Family vacation spot.

It is the site of a Federal Government Research Station, which started out with 160 acres in 1907 and now covers 1,700 acres. In the past 67 years, the research station has carried on outstanding research in all branches of agriculture.

EXTRACTS FROM RULES AND REGULATIONS

(A copy of the complete rules may be obtained from the Secretary)

No Health Guarantees by the Association

All animals entered will be inspected by a veterinarian prior to the sale, and all possible precautions taken to eliminate animals with known defects which would adversely affect their breeding capacity. It must be clearly understood that the Association is only acting as a medium between Buyer and Seller and is not in any way responsible for any failure on the part of either party, that is the Buyer and Seller, to comply with the conditions of the sale and any action for damages whether for misrepresentation or otherwise, shall be between the Buyer and the Seller only, and the Association shall not in any way be responsible for any such action.

Breeding Guarantee

Should any bull fail to prove a breeder after being used on cows known to be breeders, the matter shall be reported in writing to the consigner within three months following date of purchase (along with a certificate from a Registered Veterinarian). The consigner will then have the privilege of four months on his own premises, to prove the bull a breeder before refunding the full purchase price or making other settlement satisfactory to the buyer.

The consigner is not responsible for damage caused by foreign bodies after the animal is sold, or for sickness not apparent at sale time.

All transportation charges on animals returned to the consigners are for account of the purchaser. No incidental expenses such as feed, care, veterinary charges, etc., will be charged by either party when making settlement.

Note to Buyers

An official of the Canadian National Livestock Records, Ottawa will attend the sale, and prepare immediate transfers of registration certificates to Buyers.

N.B. All bulls sold through the ring must be transferred into the names of the buyers. There will be no exceptions to this rule.

The material in this catalogue has been carefully edited. If any typographical or other errors are discovered they will be announced from the box, such announcements to take precedence over the matter printed in the catalogue. The Association cannot assume responsibility for errors that may appear in the catalogue.

REDUCTION OF ENTRIES IF NECESSARY

6. In the event that the number of entries exceeds the sale accommodation, the Management reserves the right to reduce the number of entries in any manner they may decide upon.

In such Transfer the name of the purchaser shall be left in blank. Forms of Transfer may be obtained from the Secretary upon application to him. NOTE — To United States Buyers

If animals require T.B. or Brucellosis tests, they must be held for at least 72 hours until results of tests are known.

NO HEALTH GUARANTEE BY THE SOCIETY

12. All animals entered will be inspected by a Veterinarian prior to the sale, and all possible precautions taken to eliminate animals with any known defects which would adversely affect their breeding capacity. It must be clearly understood, that the Society is only acting as a medium between Buyer and Seller, and is not in any way responsible for any failure on the part of either party, that is, the Buyer and the Seller, to comply with the conditions of the sale, and any action for damages, whether for misrepresentation or otherwise, shall be between the Buyer and the Seller, only, and the Society shall not in any way be responsible for any such claim.

OWNERSHIP OF ENTRIES

13. Each animal entered must be the property of a member of the Society who is a bona fide resident of Alberta or who is conducting a livestock breeding establishment of the breed entered, in Alberta. No member may permit animals he does not own to be entered in his name. Bulls must have been calved in Alberta, or must have been used for breeding purposes in Alberta for at least one year. Bulls not bred by contributors must have been owned by them at least 6 months previous to date of entry.

If the above rules are not adhered to, the Secretary has power to buy a suitable halter or neck rope, the cost to be charged to the contributor.

17. Herd bulls may be shown upon payment of regular entry fee. They may be shown alone in the show ring if none of the progeny is being sold, and shown in the ring with progeny which is to be sold.

Any contributor declared by resolution of the executive committee to have violated this rule shall be barred from entering any animal in any future sale held by the Society, unless and until an application for his reinstatement is made to and approved by the executive committee.

NO SUBSTITUTIONS

19. Only those animals which are listed in the sale catalogue will be sold. No substitutions will be allowed. Closing dates for entries will be shown on the entry form for each sale.

SELLER'S RESPONSIBILITY

20. Sellers will be responsible for costs of delivery of animals to the grounds, supply any necessary grain, remain in attendance upon them until 8:00 p.m. of the day sold, and, subject to the directors of the Secretary, be responsible for their delivery to the Purchaser at point of sale.

21. Under no circumstances will any animal culled at any other sale be accepted for a sale held by this Society.

BUYER'S RESPONSIBILITY

22. Immediately after each animal is sold, the risk of the animal shall be exclusively with the purchaser, and it is declared that until a settlement shall be made in the terms of these conditions, the delivery of the animals shall be suspended.

All purchases must be settled for within one hour of the time of the sale of the animal. If any Purchaser shall fail to settle for his purchase within the time stated the Committee reserves the right to re-sell the animal to the best advantage either by public or private sale and shall not be obliged to give notice thereof to the purchaser. Any loss arising from the difference in price on such re-sale, together with the cost of keeping and feeding the animal and all other expenses shall be chargeable to such Purchaser who fails to complete his purchase.

SHIPPING OUT

23. Sellers are responsible for delivery of animals to the purchasers. If the animals are to be shipped by rail, the Society, acting as agent for the purchaser, will take charge of shipping out, but it is distinctly understood that the risk will remain with the purchaser, who may take charge of his own animal if desires. Shipments will be sent to the purchaser freight collect, if possible.

INSPECTION AND CULLING

24. Upon arrival at the sale premises of bulls entered for sale the Society reserves and shall have, the right to cause the same, or any of them to be inspected by such person or persons as may be designated by the Society or its Executive, and on recommendations of any such inspector or inspectors, to remove any such bulls (as any such inspector shall consider as having a physical defect or are inferior in quality or condition or as not being representative of the breed) immediately from the sale premises to a packing plant and sold (for immediate slaughter) by the Society as the agent, but at the expense and risk of the entrant.

The net proceeds received by the Society with respect to any such bulls so removed and sold shall be placed to the credit of the entrant and thereafter paid to him on demand.

Females will likewise be inspected by the aforesaid inspector or inspectors and any rejected shall be removed immediately from the sale premises by the entrant.

The entry fee paid by the entrant to the Society in respect of any such animal removed or rejected as aforesaid shall belong to and remain the sole property of the Society.,

The entrant hereby appoints and constitutes the Society his agent for the purposes aforesaid with full power and authority to delegate its authority and powers.

GENERAL

25. Contributors will be responsible for any erroneous information respecting animals entered that may appear in the printed catalogues of any Society sales, unless written notice of such error is filed with the Secretary one week prior to the commencement of such sale, and the auctioneer notified as the animal comes into the sale ring, so that the error may be announced to the public before the animal is sold.

26. The purchaser of an animal at a Society sale will be given ten days after the last day of sale within which to file with the Secretary claim on account of any erroneous information respecting such animal that may appear in the catalogue.

27. Every care will be exercised by the management to prevent injury or loss of property, and to insure the prompt collection and delivery of animals, but the Society, acting only as a medium between buyer and seller, will not be responsible for any loss or damage that may occur nor for any stock mis-sent whether through negligence on the part of its officers or servants or otherwise. The Executive Committee reserves the right to decide any point not covered by the rules which the committee considers is necessary in the proper regulation and management of the sale.

28. Every person who contributes an animal for sale, and everyone who bids at the sale, by so doing agrees to the foregoing terms and conditions as printed in the form of application and the sale catalogue.
